

# Is Your Nonprofit Organization Equipped for Success?

Explore how true fund accounting™ solutions, such as Abila MIP Advance™, can help you better track and manage finances across the organization; easily respond to ad hoc reporting requests from board members and grantors; execute with greater precision; and maintain controls and compliance.

Does your current fund accounting solution offer:

**YES NO**

- True, web-based fund accounting that doesn't require cumbersome workarounds to keep track of revenues and expenses, and allows you to access your system 24/7?
- Powerful dashboards and drill-down capabilities that allow you and your staff to quickly and easily locate and report on fund, program, and department performance for board members and grantors?
- A multi-dimensional chart of accounts and more than 52 different segments to accommodate the unique needs of your organization as you scale and grow?
- Robust budget creation and tracking, as well as alerts when actuals are in danger of exceeding budgeted amounts?
- Grant tracking and administration, with a robust tool set for accountants and grant managers?
- Fraud detection and alerting functionality, ensuring your funds are being used appropriately?
- Bundled software packages that allow you to easily select the packages that work best for your organization, whether you want to manage distributions, allocations, payroll, or HR activities?
- A software provider with deep experience in fund accounting and nonprofits, with support and client services teams staffed by seasoned nonprofit professionals?

If you answered "No" to any of the above questions, it may be time to consider a true fund accounting™ solution.
